Christmas parties with style and substance

ABOUT US...

Taking influence from Food halls across Europe, a passion for Scandi design and a desire to create Christmas events with a buzz, we bring you Scandinavia. A magical event like no other, our beautiful tipis create one large unique event space. Set in the British countryside and just 15 minutes from Central Milton Keynes, the glowing peaks of the tipis can be seen from afar. It brings together artisan street-food food and cocktails, specialist Gin bar and live music.

It truly is enchanting.

We cater for large corporate bookings (with a capacity of up to 400 for a standing event and 250 for a seated event we can provide the perfect venue for your event.

Smaller businesses... Don't worry, we've got you covered! We have plenty of shared party nights and take bookings for parties as small as two.

THE FOOD...

We source our suppliers locally and when we came across The Rub Woodsmoked BBQ we knew they were the guys for us!

Wood smoked flavours, quality products and a clever festive flair added to their dished for our event. They definitely pack a punch!

From pulled turkey with cranberry chutney served in a brioche bun to halloumi and red pepper wraps, pigs in blankets to chicken wings or our afternoon tea style dessert. The food is EPIC!

DRINKS...

All tickets include an arrival drink which is a choice of beer, Bellini, Prosecco or a mocktail.

Our venue has 3 separate bars, a cocktail bar, Gin bar and the main bar. We serve freshly made cocktails, spirits and a good selection of non alcoholic drinks too.

We have a range of packages which include unlimited drinks wristbands, drink tokens, pimp your Prosecco stations, beer buckets and more!

ENTERTAINMENT...

Music sets the tone for any event and we have a DJ who can read the crowd perfectly! We cover an eclectic mix of genres to make sure everyone from your group hits the dance floor!

Our dance floor is perfectly positioned so that the tables surround it, it really makes the space feel sociable with all guests feeling part of the party – sitting down or having a dance-off!

Our DJ is also accompanied by a roaming DJ and percussionist which brings the party ALIVE!

Requests can be taken on the night and music plays until close!

PHOTOBOOTH...

We have a Christmas themed photobooth which runs at all of our events! all photos are free and you can grab your friends for as many photos as you like!
